

Treetures® and Tim Womick on the Trail of Trees

Please help Tim and his Treeture friends find their way to the correct spot to plant their seedling trees.

Print out the maze.
Write the number on
the sign that matches
the description of the
spot. Draw a circle
around the right spot
for planting a tree.

1. Underground utilities (pipes, etc.)
2. Very dry, rocky and sandy soil
3. Overhead wires
4. Wet, marshy area
5. Too close to house and other tree
6. Just enough sun, space and rich soil to grow a tree.
